Presidents Welcome

Hello Hockey Families,

On Behalf of the North Vancouver Minor Hockey Association, I would like to welcome all NVM-HA and visiting u15 and u18 teams to the 2021 Ice Breaker Tournament.

After a one-year hiatus away from the rink we are excited to host our annual tournament again where teams from across the lower mainland have an early opportunity to play hockey competitively in advance of the regular season. On this weekend not only do we get to celebrate Thanksgiving, we'll also get the opportunity to watch some great hockey.

A special shout out goes to the organizers of this tournament which wouldn't have been possible without the dedication of our tournament committee namely Lucas Giles, Cynthia Curll, Jeff Maihara and Kathryn Stanton and not to forget our small army of support volunteers. Please take a moment to thank them for their efforts and this excellent hockey tournament.

Your participation in the tournament is very much appreciated and we are relying on you to join us in making this tournament a success. We encourage you to take advantage of the food and beverage amenities at our facility and enjoy the hockey on the ice while abiding by the safety guidance of the tournament organizers and facility managers.

Please remember this tournament is for the players and the teams participating in it. It's important to us, as I think it would be for you, that you and the participants have fun above all else. Always keep in mind it's still a bunch of kids coming together to play some hockey.

Have Fun and Good Luck! I hope to see you around the rink!

Sincerely,
Lawrence Smyth
President, North Vancouver Minor Hockey Association

Tournament Director Welcome

Welcome to NVMHA's Ice Breaker Tournament

Hopefully you have had a great start to your hockey season, and are ready to kick things off this Thanksgiving Weekend with family, friends, delicious food and some great hockey!

I have the privilege of serving as the Tournament Director this year, and promoting North Vancouvers Minor Hockey program – this tournament being a great opportunity for our players to have fun and make memories to last for a lifetime.

I would like to personally thank the generous sponsors for making this event possible, the variety of volunteers and dedicated coaches and managers, as well as the tireless contribution of several key individuals, Cynthia Curll, Jeff Maihara and Kathryn Stanton who are true and dedicated hockey parents and event planners extraordinaire.

Good luck to all the teams, and enjoy the event!

Lucas Giles
Tournament Director
North Vancouver Minor Hockey Association

A Message From Canlan

October 4, 2021

Welcome!

Hi Team Manager,

We are really excited to be hosting our first tournament since 2019 with NVMHA! We're so happy to welcome you back.

Please ensure you read the following communication thoroughly and send this messaging to all members of your team. I encourage anyone with questions to reach out. I would be happy to assist in providing clarification on the processes listed below. Please understand that I am not available for debating provincial health orders.

Housekeeping:

- Dressing room access is 30 minutes prior and for 30 minutes after. Please respect this timing so our staff have time to clean the room for the next group. It is courteous.
- Exiting out the side doors on Rinks 1 and 3 are no longer available unless in an emergency situation.

Wild Wing Hours:

- Will be open in a concession type format Saturday and Sunday from 4pm – 11pm. Unfortunately, due to very low staffing levels, we are unable to expand the service and offerings. We apologize for the inconvenience. We appreciate your patience as we work to provide you with best service we can.

Current Pandemic Protocols:

- Masks are **mandatory** in **all** off-ice areas. This includes dressing rooms, lobbies, and viewing areas. This order applies to all patrons born 2009 or earlier (12+ years). Masks are not required if patron is actively engaged in physical activity on the ice.
- Capacity at ice level is 50 people per rink and capacity upstairs is 50%. Therefore, please follow the "rule of 2" – 2 spectators per participant. And that includes any siblings etc. There are no capacity requirements in dressing rooms.

Vaccine Passport – what to expect:

- There will only one staff member (possible two) available to check passports due to very low staffing levels. Give yourself time, be prepared, and exercise patience, please.
- Customers enter the tent area from the far end and proceed forward between the designated ropes as they funnel towards the small tent near the entrance.
- Customers enter the small tent area one person at a time (or two if it's parent and child), where their passports and id will be checked (if necessary and 19+)
- Customers are to provide their government photo id with their BC Vaccine Card (or eligible equivalent until Sept 26)

- Once verified, the customer may enter the facility and participate or move around the facility as per the age restriction notes listed below.
- If the customer wants to re-enter the facility, they must go through the same process
- Entry and exit of the building will only be through the front doors. The side arena-level doors are back to being emergency doors only.
- There will be plenty of signage throughout the facility to assist with wayfinding.

Age restriction notes:

- 11 years old and under – no requirement, can enter freely
- 12 – 18 years old – no requirement if they are only participating on ice and not visiting any other part of the facility
- 12 – 18 years old – require passport but not photo id if they are spectating, visiting the restaurant, or visiting for any reason other than participating on ice
- 19+ years old – require passport and photo id before entering facility for ANY reason

*We may ask a youth for their ID and passport if they appear over 19 years old. A polite response indicating their correct age will all that will be required.

**Unvaccinated adults cannot access the facility with youth. These youth should come fully dressed and ready to participate if they require assistance with any equipment. Please ensure you have health and safety volunteers to assist these athletes, if necessary.

***All events at Canlan are considered to be 50+ people and therefore require that all 19+ aged individuals at ice level (on or off) must have at least one inoculation.

Please respect, listen to, and help the Canlan Front Line Staff maintain the health and safety of our Canlan community. Please refrain from entering in debates about policies and protocols that they have no control over.

Please reach out if you have any questions and I look forward to seeing you October 9th!

Thank you,
Morgan Elliott
